IMPORTANT INFORMATION – Direct Debit Payments

If you choose to pay by Direct Debit in instalments, your MPS membership subscription payments will become due and payable on each of the Direct Debit payment dates as notified to you by MPS. The first subscription payment covers your MPS membership between the membership start date and the date of that subscription payment. Each following subscription payment covers your MPS membership between the date of that subscription payment and the previous subscription payment which became due and payable, and if it is the final subscription payment in a subscription period (again as notified by MPS to you) it also covers the period from the date of the subscription payment to the expiry of the subscription period.

If you fail to pay all or any part of your subscription for any period of membership we may suspend or terminate your membership and/or allocate any payments received by us in the manner set out in section 7(a) of the MPS Articles of Association. However, we do not consider failed payments as creating a debt to us since MPS membership is discretionary and, accordingly, we will not take legal action against you for your failure to pay.
